A new Good Faith Estimate will be provided to you based on the services and amount of time services are needed

You are entitled to receive this "Good Faith Estimate" of what the charges could be for psychotherapy services provided to you. While it is not possible for a psychotherapist to know, in advance, how many psychotherapy sessions may be necessary or appropriate for a given person upon the initiation of psychotherapy, this form provides an estimate of the cost of services provided.

Your total cost of services will depend upon the number of psychotherapy sessions you attend, your individual circumstances, and the type and amount of services that are provided to you.

This estimate is not a contract and does not obligate you to obtain any services from the provider(s) listed, nor does

it include any services rendered to you that are not identified here.
